## Wellbeing Strategic Framework — Implementation Roadmap

2021-2023 Year 1 & Year 2

The Implementation Roadmap tracks activities and accomplishments across the UBC Wellbeing Priority Areas. Activities are led by key units and support partners across UBC Vancouver and Okanagan campuses.

**Legend:** ✓ Completed  ➔ Continuing  ❌ On hold

### Collaborative Leadership

**UBC is committed to wellbeing:** 10% increase in community members who feel UBC is committed to the wellbeing of its people, places, and communities

**All Faculties and Units Take Action:** All faculties and units are engaged with wellbeing action

- ✓ Partner with the Office of Provost to build capacity for units to embed cross institutional plans into their strategic planning and decision-making
- ✓ Pilot the Activate Wellbeing Toolkit with 3 units
- ✓ Provide consultation to Strategy and Decision Support to incorporate wellbeing perspective in planning processes undertaken with 2 units
- ✓ Report and plan using a multisolving approach to ensure wellbeing efforts align with other People & Place priorities
- ✓ Use a multisolving approach in the Annual Report to highlight wellbeing efforts that align with other People and Place priorities
- ✓ Add a wellbeing stream to the existing Campus as a Living Lab Grant to encourage interdisciplinary projects
- ➔ Develop an engagement approach to unify action, capacity, recognition, and connection of wellbeing champions
- ✓ Integrate communications, engagement, and evaluation to promote UBC’s role, approach, and actions as a leading health and wellbeing promoting campus
- ✓ Lead national and international health promoting campus networks and co-host the International Health Promoting Campuses Symposium in May 2022
- ✓ Engage UBC community to create stories, tools and content for communicators and stakeholders across UBC to use in their contexts

### Food & Nutrition

**Increase Food Security:** Reduce food insecurity for UBC community members by 2025

**Healthy Beverage Consumption:** 50% increase in healthy beverage consumption on our campuses by 2025

- ✓ Create Affordability Plan
- ✓ Launch Community Food Hubs on both campuses to drive collective food security action
- ➔ Achieve compliance with ‘Healthier Choices in Vending Machines in BC Public Buildings’ policy
- ✓ Residence Dining is 100% Healthy Beverage aligned
  - ➔ Vending is 100% Healthy Beverage aligned
- ❌ Launch HBI designation program for food/beverage providers and events

### Physical Activity

**Mover More:** 10% increase in the prevalence of physical activity for UBC community members by 2025

**Diverse Community, Diverse Programming:** 10% increase in satisfaction with recreation facilities and programs for UBC community members by 2025

- ✓ Develop and approve milestones:
  - ➔ Develop a plan for implementing the Canada 24hr movement guidelines
  - ➔ Enroll at least five units or departments by April 2023 in a commitment to integrate wellbeing breaks into the classroom and workplace
  - ➔ Develop a plan to reduce sedentary behaviour that can result from hybrid work arrangements using programmatic and systemic solutions
