

FOOD & NUTRITION

Increase Food Security:

Reduce food insecurity for UBC community members by 2025

Healthy Beverage Consumption:

50% reduction in sugar-sweetened beverage consumption on our campuses by 2025

25%

of vending machines at UBC Vancouver converted to comply with the provincial **Healthier Choices in Vending Machines Policy**.

Food service operations at UBC Okanagan transitioned to an in-house model, prioritizing fresh, local ingredients.

VOICE 5, *Food Security at UBCO: What's your recipe?*

launched, with an emphasis on understanding the lived-experience of student food insecurity, system-level barriers and facilitators to food security, and identifying opportunities for action.

Food Security Initiative

formed to deepen our understanding of food security, provide dignified supports for students in need, and further policy and advocacy work.

UBC Drinks Tap Water

campaign encouraged community members to take to the tap instead of sugary bottled beverages.

57% of survey respondents said they are now more likely to drink tap water.

FOOOOD,

a "**pay-what-you-can**" cafe was launched by UBC Food Services at UBC Vancouver.

68%

of UBCO catering orders were provided with **Healthy Beverage Initiative** options
