FOOD & NUTRITION

**Increase Food Security:**
Reduce food insecurity for UBC community members by 2025

**Healthy Beverage Consumption:**
50% reduction in sugar-sweetened beverage consumption on our campuses by 2025

---

25%

of vending machines at UBC Vancouver converted to comply with the provincial Healthy Choices in Vending Machines Policy.

Food service operations at UBC Okanagan transitioned to an in-house model, prioritizing fresh, local ingredients.

---

VOICE 5, *Food Security at UBCO: What’s your recipe?*

launched, with an emphasis on understanding the lived-experience of student food insecurity, system-level barriers and facilitators to food security, and identifying opportunities for action.

---

Food Security Initiative

formed to deepen our understanding of food security, provide dignified supports for students in need, and further policy and advocacy work.

---

FOOOOOD,
a “pay-what-you-can” cafe was launched by UBC Food Services at UBC Vancouver.

---

UBC Drinks Tap Water

campaign encouraged community members to take to the tap instead of sugary bottled beverages. 57% of survey respondents said they are now more likely to drink tap water.

68%

of UBCO catering orders were provided with Healthy Beverage Initiative options.
